

## CST Youth Art Program

Director: Dr. Michelle Tong

Helping our youth through art programs may be one of the most important steps we can take as individuals and as a society. Started in 2017 through Chinese Sisterhood of Tuscaloosa, CST youth art program provides young students (ages 5 to 16) with an immersive exploration of the visual world and the opportunity for creative self-expression. Art classes are normally held on Sunday from 3:30 p.m. to 5:00 p.m. Under the guidance of professional working artists, who are also skilled teachers, students develop and flex their skills mastery in a wide variety of art forms and subjects.

### Puppetry Arts

**Chinese School Art Class**  
Learning the Arts through Puppetry

Students will create a variety of **puppets and stage props** by drawing, painting, sculpting, sewing, paper mache and other arts work. Types of puppets will be stick puppets, finger puppets, string puppets, and glove puppets. Chinese dragons, fans, and other traditional puppets will be created. Students will take the puppets home at the concluding **puppet show** at the end of the term.

**Missy Richey** Instructor/Puppeteer
